

PERSONAL DATA PROTECTION NOTICE

In compliance with Organic Law 15/1999 for the Protection of Personal Data (LOPD), those responsible for this website (the Provider), according to Articles 5 and 6 thereof, guarantees those using this website (the Users) that all personal data received will be stored in an automatic file registered with the Spanish Agency for the Protection of Data and treated in complete confidence, used for the sole purpose of communicating information regarding the activities, products and services of the Provider.

By accepting the terms and conditions, Users accept that the data will be used by the Provider in order to provide the following services:

To effect a booking and to manage such a booking in our establishment and, should the need arise, to contact you in regards to this.

Provide requested services.

From time to time to send publicity by e-mail, fax, SMS, MMS, social media or any other electronic or physical media. Any such communication shall be related to the services offered by the Provider.

The Provider expressly assures Users that their personal data will in no circumstances be passed to any third party unless prior consent thereof has been given by the Users.

The provision of the information requested is mandatory as it is vital in order to provide Users with optimum service. Should all solicited data not be supplied by the Users, the Provider cannot guarantee that the information and services requested will be adapted for the specific needs of the Users.

The Provider guarantees Users the right of access, correction, cancellation and challenge stipulated in Organic Law 15/1999. Users may exercise their right by sending a request, along with a copy of their identity document, to Aptdo. de Correos 356, 07817 Sant Jordi de Ses Salines.

Similarly, Users may unsubscribe from any subscription service by ticking the cancellation box on any e-mail sent by the Provider.

At the same time, the Provider has taken all necessary measures, technical and administrative, to ensure the security and integrity of personal data stored, thereby to guard against loss, alteration and/or access by unauthorized third parties.

USE OF COOKIES AND ACTION FILES

The Provider or a contracted third party may use cookies to monitor website activity. Cookies are files sent to the user's web browser by a web server in order to record user activity.

Cookies utilized by this website are only associated with anonymous users and computers, they do not provide personal data of specific users.

Users have the opportunity to configure their browsers as to be notified of the arrival of cookies and to prevent their installation on their computers. Users should refer to the instruction manual of their browsers for further information.

Cookies used on this website are temporary and for the sole purpose of increasing efficiency. Under no circumstances will cookies be used to collect personal information.

IP ADDRESSES

The website server automatically detects the IP address and domain name of Users. An IP address is a number automatically assigned to a computer when it is connected to the internet. This information is stored in a file on the website server and allows the subsequent processing of data with the sole purpose of statistical analysis concerning number of pages printed, number of site visits, the order of visits, the access point etc.

SAFETY

The website uses security measures for the safe storage and processing of information generally accepted in the industry such as fire walls, access control procedures and cryptographic mechanisms, all with the aim of preventing unauthorized access to data.
